A place for your business
and organizing special events in Warsaw

We have prepared for you a very attractive offer for training, intimate conferences or other business events in Varsovia Apartamenty Kasprzaka.

The Gold and Silver conference rooms in Varsovia Apartamenty are **comfortable and modern** spaces designed with the utmost care and attention to functionality.
It is an ideal place to organize **corporate meetings, trainings, presentations, author meetings** or more intimate **negotiations with contractors**.

An invaluable advantage of the rooms is **access to natural light**, which supports the process of absorbing information during meetings and has an impact on the concentration of their participants. If necessary, there is also the possibility of **completely darkening the interior** (Silver room).

What's more, in the rooms, guests can enjoy a **chillout zone** with comfortable sofas and armchairs as well as a **panoramic view** of the city.

The rooms are located near the **First Floor Restaurant**, which allows us to provide our Clients with excellent **catering and coffee breaks**. This is also an ideal solution when combining an **educational meeting** with **an additional corporate event**, a **company anniversary** or another **special event**.

Varsovia Apartamenty Kasprzaka is a combination of comprehensive conference and training organization with restaurant services and hotel facilities of almost **300 comfortable apartments**.
This is a ready recipe for **an ideal event for your company**.
