Take the advantage of a special offer of a massage at the Art Hotel

Surprise participants of your conference and take care of their well-being.

For the purposes of a conference, we prepared an offer tailored to the nature of business meetings.

Our offer includes:

- Presence of a masseur/masseurs during each break, to provide a business massage - relaxing the muscles of the neck and shoulders
- The set of massages, e.g. 20 minutes, to take out for the participants

The prices depend on the number of people.

We also recommend the massages included in our full offer which can be sent to you at your request. We are open to your suggestions.

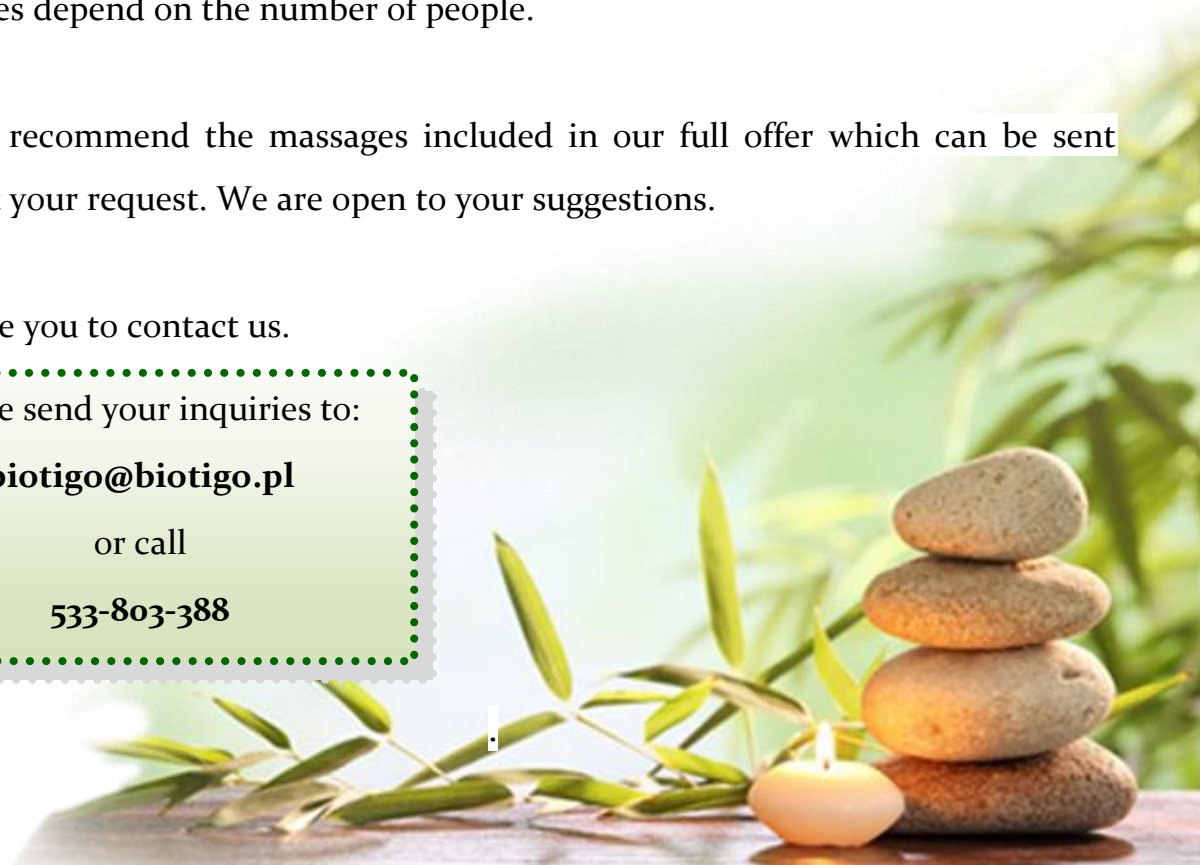

We invite you to contact us.
