RESTAURANT AND PATIO

Culinary diversity meets urban style

The hotel restaurant blends modern design with international cuisine in the chef's signature creations. From light snacks to full lunch and dinner courses, the menu caters to a variety of needs, including specific dietary requirements.

Urban chill with a view

- Intimate patio open during spring and summer
- Perfect spot for morning coffee, cocktails and outdoor meetings
- Available for private events
- Terrace adjacent to conference rooms – excellent for yoga classes during coffee breaks, as a relaxation zone or for thematic activities
- Urban style and creative space for event organisers

Breakfast buffet

- 76 carefully selected products
- Hot dishes, fresh veggies and fruits
- Cold cuts, cheeses, pastries and a wide selection of beverages
- Lunch buffet with a wide selection of dishes, including nutritious vegetarian options, perfect for diverse groups of participants
- Banquet dinners – an opportunity to organise a formal meal within a space tailored to the specific nature of the event
- Looking for a less formal atmosphere? Dinner can be served in the club-style setting of the hotel restaurant where guests can socialise and enjoy relaxed conversation

CONFERENCE APP

DEDICATED TREEVENT CONFERENCE APP
