

SPRING OFFER 2026

Platinum Antioxidant Treatment by Forlle'd

Duration: 50 min | Price: 520 PLN

An exclusive revitalizing treatment that restores the skin's youthful radiance. The combination of platinum and patented low-molecular hyaluronic acid intensely hydrates the skin, protects it from oxidative stress, and visibly improves firmness. The complexion becomes smooth, firm, and radiant, while its tone becomes noticeably more even. It is an ideal choice before an important event or as part of an anti-aging skincare routine.

Deep Relaxation Ritual with Saint Malo

Duration: 80 min | Price: 580 PLN

A signature ritual created for those who wish to slow down and care for both body and face. Warm, aromatic oil envelops the skin, while fluid, harmonious massage movements release tension and restore inner balance. The ceremony concludes with an intensely hydrating facial treatment with hyaluronic acid and golden algae, which gives the skin freshness, softness, and an immediate glow effect.

This is the perfect choice when you need a deep reset and a visible skincare effect in one treatment.

BODYSHOCK® by Mesoesthetic

Duration: 60 min | Price: 420 PLN

A personalized treatment designed to help reduce body imperfections. It combines professional products with the highest concentration of active ingredients with precise action focused on selected areas of the body.

It helps achieve visible firming results and improves the elasticity and tightness of the skin.
