Breakfasts

We give a lot of attention to the varied and nutritious breakfasts from which our guests start their day in Longstay Aparthotel. That is why our rich breakfast buffet is characterized by extraordinary care in both quality and variety of choice in proposed dishes.

In the breakfast offer you will find warm meals as well as a selection of meats, cheeses, salads, fresh vegetables and fruits. All products are carefully selected, fresh and healthy. For breakfast we serve cold drinks as well as tea and coffee from the coffee machine.

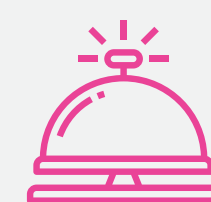

Fitness

The fitness area is available to all of our guests, free of charge, 24 hours a day. Modern equipment and exercise machines from Technogym will allow you to complete any kind of training plan.

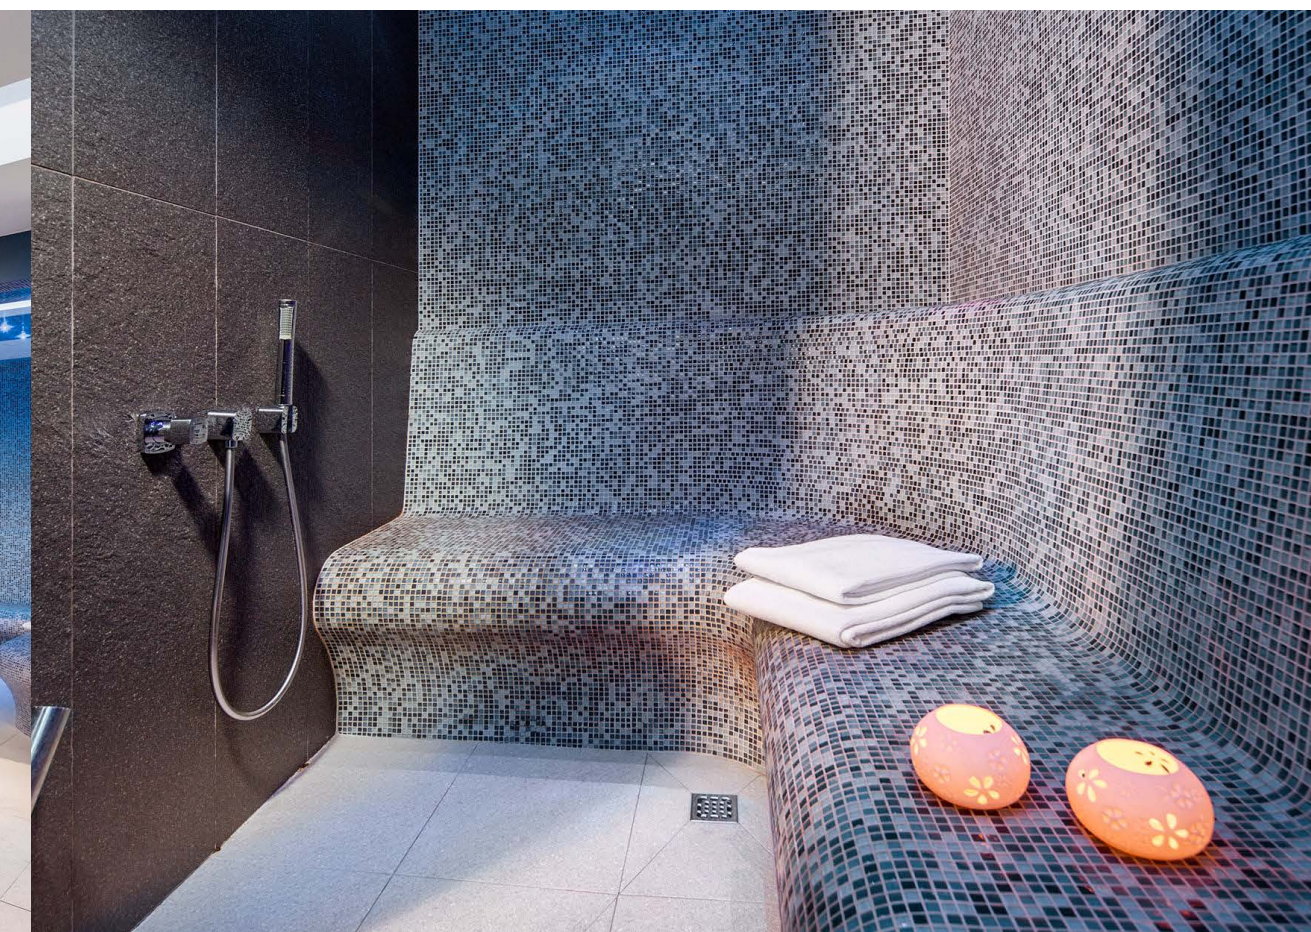

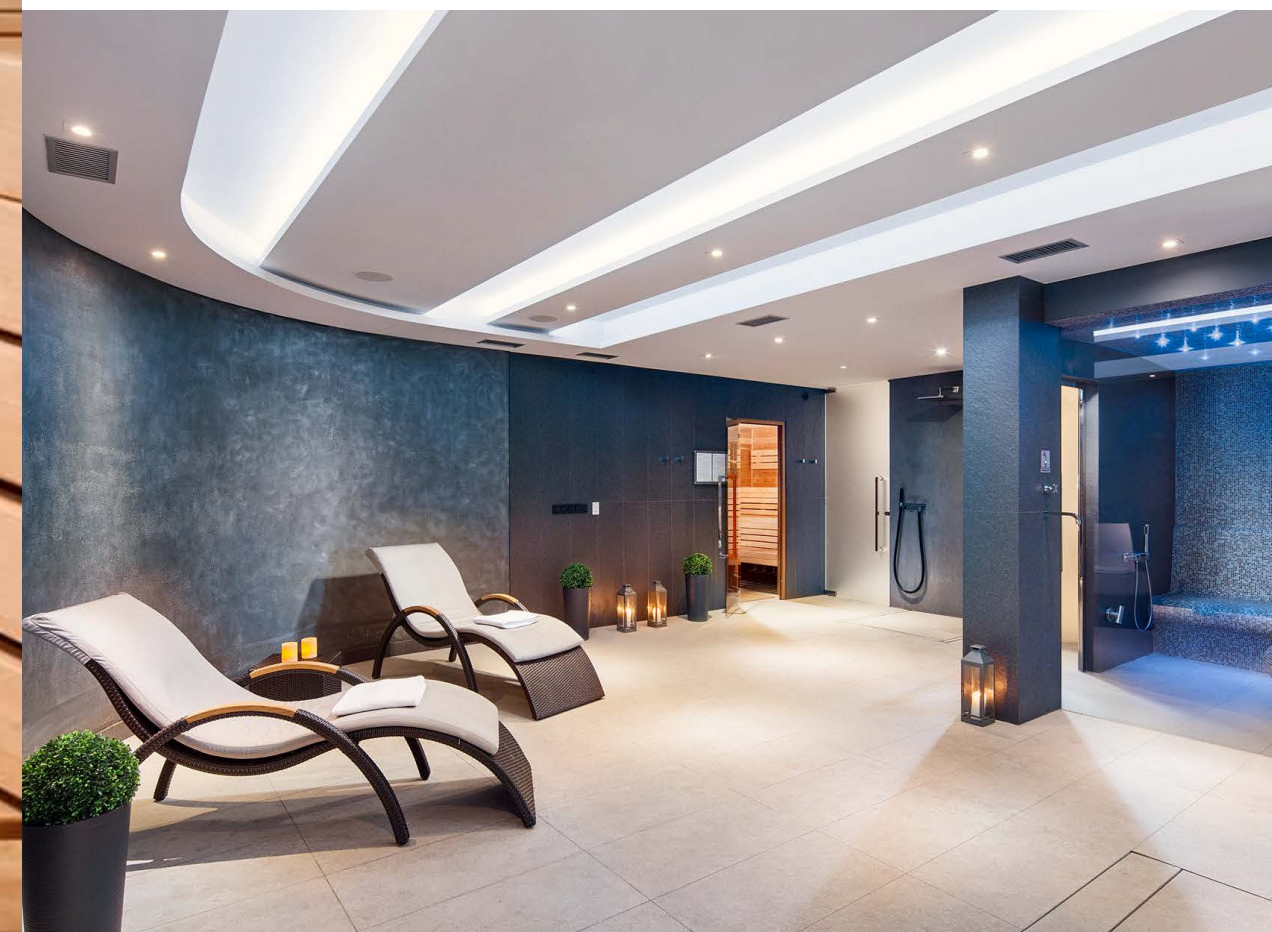

Among the gym equipment you will find:

- Electric treadmill
- Extrusion gate
- Bench and dumbbells
- Cross trainer
- Exercise mats

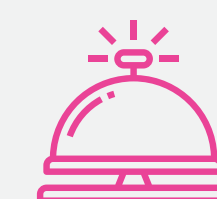

Wellness

Relax in the wellness area, which is available to all our guests free of charge, 24 hours a day, is a great idea for regeneration after a day full of seaside attractions or return from business meetings. The hot interior of the dry sauna and steam bath will help you to relax and soothe your senses. Between the sauna baths you can lay on a comfortable deck chair in the relaxation zone or walk through the green garden of Longstay Aparthotel.
