

# Pillow menu

In the interest of a good night's sleep for our guests, we offer a selection of à la carte luxury pillows, designed to accommodate a variety of sleeping styles and tailored to individual needs.

## Basic pillow

For maximum comfort, choose a low, medium or high cushion. At EUROPEUM we know how important good sleep is.

## Headrest pillow

In the interest of a good night's sleep for our guests, we offer a selection of à la carte luxury pillows, designed to accommodate a variety of sleeping styles and tailored to individual needs.

## Neck support pillow

It perfectly supports the natural curves of the spine. It removes the phenomenon of weight accumulation by evenly distributing the weight of the body, enabling uninterrupted blood flow and eliminating the causes of pain in the neck, head and spine.

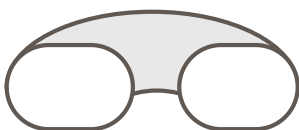

## Lumbar pillow

The pillow has a universal shape, so it adapts to the needs of each user, moreover, it allows for muscle relaxation and thus ensures a fully comfortable sleep.

## Baby pillow

The pillow measures 40×60 centimetres and is ideal even for the youngest children. The right shape makes the pillow perfectly adaptable to children's delicate heads. Regardless of whether your child is 6 months or 2 years old.

## Pregnancy pillow “Boomerang” type

The boomerang pillow has an ergonomic, contoured shape and ideal dimensions, making it helpful both during the first months of pregnancy and at the end. The pillow guarantees comfortable sleep and rest. It can also serve as support for your back and swollen legs on those days when pregnancy complaints are particularly troublesome.
