USER MANUAL FOR NOXO CHARGING STATION
Hotel Anders, ul. Spacerowa 2, 14-133 Stare Jabłonki

1. Download the free NOXO app from Google Play or the App Store: https://noxo.energy/pobierz-aplikacje/

2. Create a secure account in the app.

3. Log in.

4. Add a payment method. Available payment options include:

   o Private or business debit/credit card

   o Gift voucher

   o Billing profile

5. Connect the charging cable to your car and the charging station socket.

6. Start charging via the mobile app or using an RFID card.

7. In the app, you can monitor your car's current charge level, the number of kWh consumed, and the estimated time to complete charging from anywhere. Whether you are in the office, at a café, or in a meeting, the app will notify you when charging is complete.

8. If you feel your car is sufficiently charged, you can stop charging at any time through the app.

9. After charging is complete, unplug the charging cable from both the station and your car.

10. Payment will be automatically processed, and you will receive an email with the invoice for the charging service.

11. The app provides access to your charging history.

12. You can view the current map of NOXO charging points, allowing you to conveniently plan your trip. Free charging points are marked in green, and points currently in use are marked in blue.
