

A close-up, high-angle photograph of a Mercedes-Benz car's interior. The focus is on the black leather steering wheel with the Mercedes-Benz star emblem in the center. The wheel features silver-colored paddle shifters and various control buttons. In the background, the dashboard and center console are visible, showing air vents and a gear shift area. The overall lighting is dim, creating a sophisticated and luxurious atmosphere.

Travel in style with Aries Hotel & SPA and arrive at your destination relaxed.

To ensure that our guests have a comfortable stay at our hotel, we encourage you to take advantage of our shuttle service. Guests can travel in a Mercedes S or V-Class, each of which is equipped with air conditioning, comfortable seats, and has its own chauffeur.
