LORD JACK

Restaurant & Apartments

Lord Jack is a unique place on the Rzeszów map, which was created from a combination of true passion for whiskey, culinary art and love for Harley Davidson. Lord Jack Restaurant is located in the old Rzeszów tenement houses. Each hall has been renovated by us and adapted for the needs of the premises, while maintaining as much as possible of the original appearance. Lord Jack is a three-level restaurant, consisting of several rooms, three bars, patio and beer gardens on the Main Market Square, which are available during summer season. In total, we have 420 seats. One of our special areas on the Music Floor allows you to organize events for up to 150 people.

Kitchen

Our kitchen is a combination of traditional polish flavors with elements of american cuisine. The unique taste is primarily due to fresh and high-quality ingredients, as well as a harmonious team of young and talented chefs. We serve, among others, royal pork chop, seasoned beef steaks, burgers and ribs. The restaurant also offers breakfast, served daily from 9:00 am to 11:00 am.

Strong drinks

Lord Jack offers a wide selection of whiskey from around the world. Our shelf boasts around 300 bottles, including Jack Daniel's Single Barrel Select, which was specially selected and bottled exclusively for Lord Jack. We offer a "World of Whiskey" tasting experience available in silver, gold, and platinum packages. We can organize an evening in any style and select beverages according to your preferences. In our establishment, we focus on craft and regional beers. We have the largest multitap in southern Poland, featuring 32 beer taps. Our drinks menu includes a wide range of cocktails, including special options made with whiskey.

YOUR PLACE FOR A UNIQUE MEETING

Interiors

Lord Jack has a unique interior that is the result of our ideas, travels and passions. When designing individual rooms, we tried to refer to the atmosphere of traditional whiskey distilleries. We focused on details such as oak barrels, bottle-shaped chandeliers or armchairs in their original shape. We created a special space in cooperation with the Harley-Davidson Rzeszów showroom, which refers to Harley's style. A permanent feature is the display of a motorcycle, which is housed in a glass case on the Market Square.

HERE YOU WILL FIND:

- MULTIMEDIA AND CONCERT ROOMS
- CONSUMER ROOMS FROM 8 TO 90 SEATING POSITIONS
- APARTMENTS WITH 40 ACCOMMODATION PLACES

GOC HOUSE

GOC House is a distinctive part of Lord Jack, created by Game Over Cycles, Poland's most renowned custom motorcycle builder.

Designed in a steampunk style, it captivates with handcrafted details made of steel, brass, and aluminum. Inside, you'll find lounges, a cigar room, a patio, along with a shop offering GOC and Lord Jack accessories, as well as clothing.

Bon Appetit!

Lord Jack is the perfect place for a family dinner, going out with friends or a business meeting. We hope that you will feel good with us and we will meet more than once. Enjoy your meal!

See you next time!
