A vibrant, watercolor-style illustration of a tropical jungle. The scene is filled with lush green foliage, including large monstera leaves and bird's nest ferns. Several tropical birds are depicted: a red and blue macaw perched on a branch in the upper left, another macaw in the lower left, and a toucan with a large yellow beak in the lower right. Bright orange and pink flowers, possibly bird's nest ferns, are scattered throughout the scene. The overall atmosphere is bright and exotic.
