- **FACIAL TREATMENT WITH VITAMIN C AND WITH 5% RETINOL**

The treatment begins with cleansing the skin with a facial cavitation peeling. Then we apply serum with vitamin C. Serum has a strong moisturizing, anti-wrinkle effect, protects against the negative influence of the external environment. Perfectly firms the skin, smoothes wrinkles, delays skin aging. Vitamin C - a powerful antioxidant - gently brightens discolorations and brightens the skin. The skin becomes radiant and moisturized. Then we put on a mask with vitamin C. Thanks to the content of vitamin C and minerals, the mask perfectly nourishes and moisturizes the skin and prevents the formation of wrinkles. The skin regains its radiance and vitality and a fresh radiant look. After removing the mask, we apply serum with 5% concentration of retinol, recommended for safe exfoliation for mature skin, damaged with discoloration. The pure form of vitamin A exfoliates, stimulates epidermal cells to normal renewal processes. Retinol smoothes the skin, reduces wrinkles, stimulates the synthesis of collagen and elastin, has a beneficial effect on skin firmness and elasticity. Vitamin A lightens the skin, helping to eliminate discoloration. Thanks to the action regulating the work of sebaceous glands, the serum is also recommended for oily and acne skin. **Time: 1 h, Price: 180 zł**
