§2 Rules for Pets in Dining Areas

1. Dog Size: The Hotel does not have a specific criterion regarding the size of dogs in the dining areas. However, if a dog's size raises concerns for the staff about whether it should be allowed, the staff will propose an alternative location for the Guest, isolated from the main restaurant/bar area.
2. Pets must remain exclusively at the Owner's table, and the Owner is responsible for ensuring that the Pet stays within the area of the table occupied by the Owner. Additionally, Pets are only allowed to occupy space on the floor and are not permitted on chairs, sofas, or any other furniture.
3. Buffet Areas: In situations where food serving areas (buffets, coffee breaks, etc.) are designated in the Restaurant/Bar/Foyer, Pets are not allowed in these areas.
4. Guide Dogs: The law requires special treatment for assistance dogs. Accordingly, guide dogs have access to all dining areas of the Hotel, regardless of the character of the meal service.
