

HOTEL LOFT

Hotel LOFT 1898 is an ideal venue for business meetings, offering two modern conference rooms. It's a place that combines functionality with historical atmosphere of the 19th century tsarist barracks, upgraded by modern elements with post-industrial design.

Conference rooms in Hotel Loft are fully air-conditioned and professionally equipped. Both rooms can be darkened and divided into two parts, offering a wide range of options to organize private meetings, but also conferences and banquets for approximately 300 people.

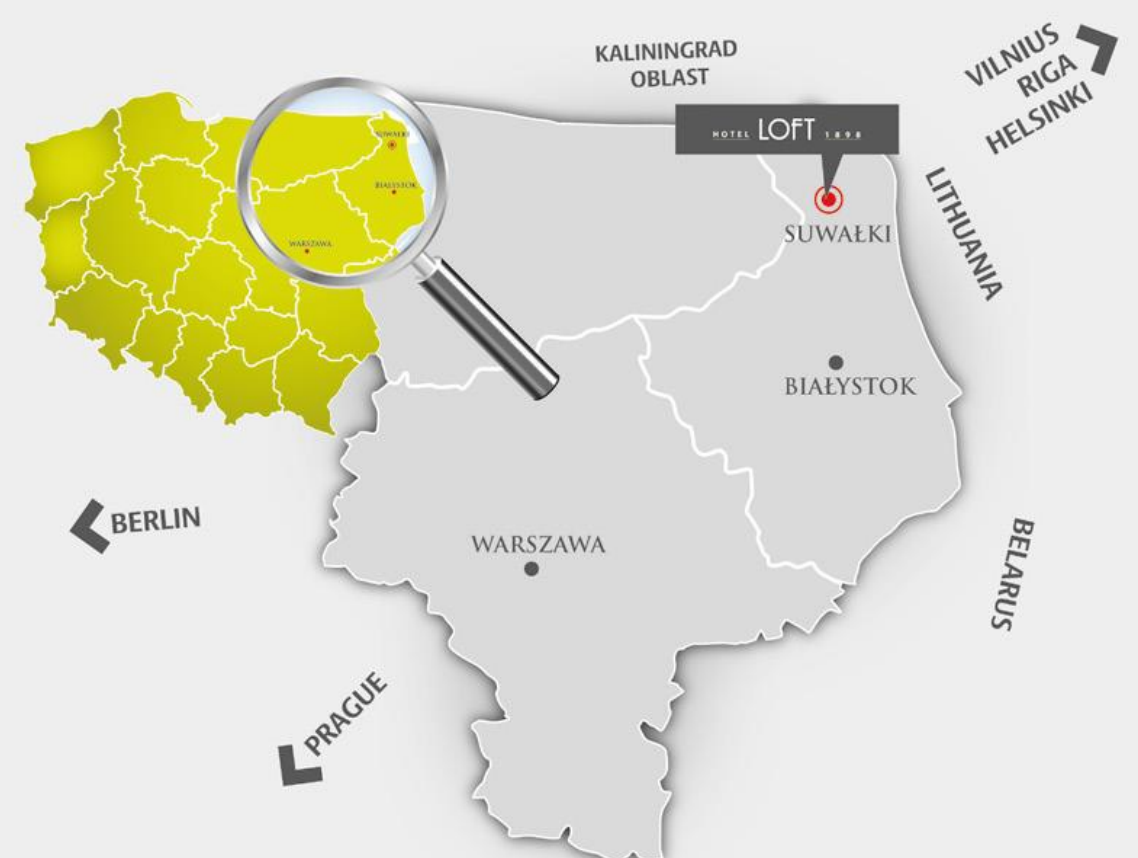

Car park. Monitored car park with coach parking space near the hotel.

Rooms. Hotel Loft 1898 offers 76 elegant and fully air-conditioned rooms. All with Wi-Fi are a comfortable place for work and relaxation.

Location and access. Hotel Loft 1898 is situated almost at the interface of four countries: Poland, Lithuania, Belarus and Russia.

Convenient location (in the centre of Suwałki, near the Via Baltica) makes the hotel a perfect venue for conferences, symposia, trainings sessions and banquets in north-eastern Poland.
